

REMARKS

In the Office Action the Examiner required that Applicants elect between two sets of claims.

The two sets are Group I drawn to a semiconductor device and Group II drawn to a process of making a semiconductor device. Claims 1-18 were placed in Group I, and claims 19-40 were placed in Group II. Claims 41-45 were placed in both groups. Presumably claims 41-45 were mistakenly included in Group II because they are directed to a semiconductor device. In any event, Applicants hereby elect Group I, claims 1-18 and 41-45, without traverse.

Applicants believe the application is in condition for allowance which action is respectfully solicited. Please contact the below-signed if there are any issues regarding this communication or otherwise concerning the current application.

Respectfully submitted,
